Dear Sir -

I have not received a letter from Whittier as I expected, but understand he is not to remain at Washington. We should be glad to have you for the correspondence of the Emancipator for three months if you can do it for the small compensation which we can give. The Emancipator is not a rich concern, and we must curtail the expenses as much as possible, and can therefore offer you but four dollars per week.

We should like to hear from you immediately, so that we may publish notice in the paper of the 31<sup>st</sup> inst, and we should like a letter to publish at that time.

Shall I name a certain plan in relation to a new paper to Bro Leavitt, or is it to be considered confidential

Yours Truly  
W. L. Chamberlain
